When you make a donation to the Riverfront Foundation, you make possible a wide array of opportunities many of us take for granted.

Because of your gift, someone with weak retention skills, but a strong desire for independence, will have the support needed to work on a new recipe until she can prepare it regularly, with no assistance.

Because of your gift, someone with a strong work ethic will be able to contribute to the community and will take pride in cashing a paycheck.

Because of your gift, someone who idolizes Tiger Woods will have the opportunity to go to the driving range and hit buckets of balls. And chances are, he'll make new friends in the process.

Because you believe that each person deserves to have the opportunity to live a real life, no one will be isolated at home, feeling de-valued and useless.

Your vision and your contribution will make a real impact on the lives of many others.

Please contact any of us in the Foundation if you would like more information on how you can be a part of this important work. Thank you for providing real hope.
